## Message from the Principal

Dear Parents/Guardians

Assalamu Alaykum

### Parent survey

Thank you for providing your valuable feedback through the online survey. The data will be used to formulate strategies to significantly lift the performance of the College, making it the preferred school for learning and teaching.

### Official School Facebook Page

As part of the school improvement plan and to stay connected with parents and the wider school community, the school is in the process of creating its first official Facebook page. It will help teachers, parents and students with a real time update of ongoing school activities.

As part of the implementation process, the school is seeking consent from all parents/guardians to use and post your child's photos, videos and work samples on the schools Facebook page. If you do not give permission to the school to use and post your child's photos, videos and work samples then please write to the school withdrawing your consent and also stating your full name, your child's full name and class by 15/09/2020 on [info@gvic.nsw.edu.au](mailto:info@gvic.nsw.edu.au). If we do not get in writing by the due date then the school will be of the view that consent has been granted.

### Examinations

The high school 7 – 10 Half-Yearly examination has been completed in week 4. Year 12 HSC trial examination has commenced in week 5 and the last exam will be on Monday (31/08/2020). Primary school Half-Yearly examination will commence in week 7 Monday (31/08/2020). Please ensure your child prepares well for all exams and if they are absent on the exam day, a medical certificate must be provided for the child to do the catch-up exam.

### Virtual Parent Teacher Interview

Due to the COVID-19 restrictions, face to face parent teacher interviews will be replaced with virtual parent teacher interviews. The school is working hard to set up the e-meeting facility. The school aims to conduct high school virtual parent teacher meeting in week 8. More details will be provided later.

### External Sports Coaches

The school has engaged and will be paying external coaches to help our secondary students develop and excel in physical sports.

### Kindy/Year 1 Play Area

The school board has approved a play area to be constructed which will be utilized by Kindergarten and Year 1 students.
